**A BILL**

To establish a youth study abroad program in the Department of State for United States secondary school students to study in Normandy, France, to learn about the relationship between the United States and France, the World War II military operation known as Operation Overlord, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Operation Overlord  
3 Study Abroad Program Act of 2020”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) The United States and France have shared  
7 close cultural, economic, social, and diplomatic rela-  
8 tions since 1776 when French forces supported the  
9 American Colonies during the Revolutionary War to  
10 gain freedom from Great Britain.

11 (2) World War II cemented this positive rela-  
12 tionship between the United States and France.

13 (3) On June 6, 1944, the United States, as a  
14 member of the Allied Forces, led the military oper-  
15 ation known as Operation Overlord.

16 (4) Operation Overlord consisted of a series of  
17 prolonged parachute and glider landings, large naval  
18 bombardments, massive air attacks, and amphibious  
19 landings on the beaches of Normandy known as  
20 Utah, Omaha, Gold, Juno, and Sword.

21 (5) Over 2,000,000 military service members of  
22 the Allied Forces landed in France during Operation  
23 Overlord, which resulted in approximately 226,000  
24 casualties. Of those casualties, approximately  
25 153,000 were injured, and 72,000 were either killed  
26 or declared missing in action.

1           (6) Operation Overlord resulted in a victory for  
2           the Allied Forces as they forced Nazi Germany to  
3           withdraw from Normandy and move eastward to-  
4           ward Paris.

5           (7) June 6, 2020, is the 76th anniversary of  
6           the start of Operation Overlord.

7   **SEC. 3. SENSE OF CONGRESS.**

8           It is the sense of Congress that—

9           (1) the United States owes to the generation of  
10          Americans known as the Greatest Generation an im-  
11          mense level of respect and gratitude for risking their  
12          lives by serving in the Allied Forces to defeat Nazi  
13          Germany;

14          (2) it is vital that the stories of the men and  
15          women who fought in Operation Overlord are not  
16          forgotten, allowing our youth to remember some of  
17          the greatest acts of heroism recorded in human his-  
18          tory; and

19          (3) the United States hopes to maintain strong  
20          ties with the Government of France and ensure the  
21          lessons learned from Operation Overlord are not for-  
22          gotten.
